Good Evening Ms. Searles,

Attached is the July 10, 2018 letter, granting permission to USEPA to access Haystack Mine, Section 13, T13N, R11W, for oversight and implementation of soil removal activities by BNSF and their contractors as approved by TCRA.

Please provide this office final remediation closure statement and documentation for the project. The original letter will be mailed to your office.

Thank you, and if you have any further questions, please do not hesitate to contact this office.
